

Orchestra Fact Sheet
Page 2

GROUND TRANSPORTATION:

Round trip transportation from your point of arrival and departure in Washington to your hotel will be provided. Upon arrival at National or Dulles airports or Union Station for rail travelers, an Inaugural coordinator will assist you with hotel transportation.

HOTEL:

The Presidential Inaugural Committee provides rooms only. You are responsible for any personal charges incurred during your stay.

LOCAL MUSICIANS:

A large number of musicians from the Washington metropolitan area are being employed for Inaugural performances. These musicians are coming from many different areas and it is the responsibility of the orchestra leader or manager to advise the local musicians of the orchestra's travel plans. To ensure proper credentialing for admittance into the Balls, orchestras should inform their local musicians that they are to meet the orchestra at it's hotel of residence -- NOT THE PERFORMANCE SITE -- for transportation to and from the rehearsal or sound check (if required) and the performance.
