Guy Lombardo's Royal Canadians

**Art
Mooney**

One of the most listened to, talked about and imitated big bands of all time was that of Guy Lombardo. He brought forth a distinctive recognizable style that thrilled audiences. The exaggerated saxophone vibratos, the clipped brass phrases and a vocal styling immediately identified the orchestra as being Guy Lombardo's Royal Canadians, "The Sweetest Music This Side of Heaven". Art Mooney carries on in grand tradition the Lombardo style that continues to be the favorite of the American continent.
